

## **School Psychology Internship and Post-Doctoral Training Program**

2022-2023 School Year

### **Who We Are**

The San Francisco Unified School District is the seventh largest school district in California, serving more than 57,000 students who speak more than 44 languages. We aim to provide each student with an equal opportunity to succeed by promoting intellectual growth, creativity, self-discipline, cultural and linguistic sensitivity, democratic responsibility, economic competence, and physical and mental health.

### **What We Offer: Training Experience**

SFUSD places professional development at the forefront of our program's mission. We seek talented masters-level, pre-doctoral, and post-doctoral candidates from diverse backgrounds who are inspired by our mission of equity and who are comfortable in a community of continuous learning and professional growth. We are able to offer a comprehensive training program involving depth and breadth of experience in all areas of school psychology, including:

- Comprehensive psychoeducational, social-emotional, and behavioral assessments using the most current instruments and methodologies
- Mental health counseling in individual and group formats
- Consultation with Teacher/School/Family
- Pre-referral/RTI intervention
- Cases drawn from across all age levels, service levels, and disability categories

In addition to this comprehensive training, possible rotations for specialized experience include:

- Preschool Assessment Team
- Non-Public School and Private/Parochial Team
- Educationally-Related Mental Health Services Team
- Low Incidence Disabilities Team

### **What We Offer: Supervision and Support**

- Weekly individual supervision with site supervisor and/or district internship director
- Weekly group supervision (interns and post-doctoral fellows)
- Weekly small-group case consultation
- Bi-monthly new hire/intern trainings
- Monthly professional development trainings
- Competitive internship stipend (post-doctoral fellows receive staff salary and benefits)
